Subject: Division Request for Affirmation of Letter of Credit Number 1 Bryce Haas, B & C
Limestone Quarry, M/039/013, Sanpete County, Utah

Dear Mr. Wilson:

The Division continues to monitor reclamation work done by Mr. Bryce Haas at the B & C Limestone Quarry in Sanpete County Utah. While progress is being made, there is still work that needs to be completed at this site and Mr. Haas is still responsible for finishing the reclamation. His letter of credit (LOC number _____ held with Far West Bank provides reclamation surety for this site and must remain in place until the site is fully reclaimed or a replacement bond is put in place.

According to the terms of the letter of credit, the bank is required to provide a ninety (90) day notice to the Division if electing not to renew and since we have not received any such notice we understand that the LOC is still in effect. The Division requests an affirmation that the Letter of Credit is still in effect and that we will receive 90 days notice prior to any cancellation of the Letter of Credit.

If you have specific questions or require discussion regarding the content of this letter, please contact me at (801) 538-5325 or by email at daronhaddock@utah.gov. Thank you in advance for your help.

Sincerely,

Daron R. Haddock
Permit Supervisor
Division of Oil, Gas and Mining
